

LET YOUR *light* SHINE

Leader's Guide

Did you know that the Bible mentions the word “light” over 200 times? Anytime God repeats Himself He wants us to pay attention. God has some important things He wants us to learn about the light and shining for Him. In collaboration with the Tim Tebow Foundation, we created this FREE video devotional series for their Night to Shine prom event. If your church hosts Night to Shine, you can share a devotional every day for the six days leading up to your event making it a week-long experience. If you are not participating in Night to Shine, sponsored by the Tebow Foundation this year, there are many other ways you can implement this series, share the devotional Monday-Saturday and celebrate what you’ve learned together on Sunday. Or spread it out over six weeks sharing one devotional a week with your group. The options are limitless!
