

Become a Sensory-Friendly Church

Welcoming People with Sensory Processing Issues

Awareness

- Sensory processing issues can affect 1 in 6 people
- Affects all ages
- Caused by many conditions & diagnoses
- Can be very stressful, uncomfortable, painful and overwhelming
- People may not be able to attend church or participate without modifications and/or sensory tools

Where to Start

- **FREE** video training to learn what to look for and how to help:

- Consider each of the senses
- Provide sensory tools
- Evaluate each area of the church & all events
- Make modifications to the church environment
