

# LET YOUR *Light* SHINE

## Introduction

What did Jesus mean when he said, “Let your light shine!”? Was he just giving advice about walking around with a flashlight in the dark? Not exactly. Over the next few days, you will find out exactly what Jesus meant. It will start with a careful study of the word “light.” Did you know the word “light” appears in the Bible over 200 times? That seems like a lot. Anytime God mentions something over and over again in the Bible, it must be important. As you watch each of the six videos make sure to have this devotional handy to take notes and to study further with. It is okay if you need help filling out the devotional. Ask a trusted friend or family member to work with you. Working together is more fun anyway!

## Day 6: The light shines through us!

What is the nicest thing anyone has ever done for you? How did it make you feel?

---

**Bible verse of the day:** Matthew 5:16 “In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven.”

**Important truth:** When you believe in Jesus as your Savior, he comes to live inside you. The light of Jesus shines through you when you do good things for others. Too cool! In a world where there is too much hate, it is important to be kind and do good. Doing good helps others see that there is something different about you. That something different is Jesus. People will praise God when they see the good that you do. That is what “Let your light shine!” is all about.

**What good things will you do today?** Below is a list of good deeds. Circle a few that you think you could do today.

Give someone a compliment.

Let someone go ahead of you in line.

Give someone a hug.
